Hi Ms. Acierto:

I'm following up to see if since the last time I reached out, whether you have access to any additional documents filed in case no. 20CV200826. We are specifically interested the following motions (which are highlighted on the attached register of actions and which I'm listing below):

5/7: Plaintiff's motion for court order designating process server to serve out-of-state subpoenas

5/7: Plaintiff's motion for default judgment

5/8: Plaintiff's motion to compel AT&T to comply with his subpoena

If you don't have access to them, I completely understand. Since our office has filed a notice of removal of this case to the ND of Ohio, we just want to make sure we provide the federal court with copies of everything we can from the case when it was filed in the Lorain county court of common pleas. Thanks again for all of your help obtaining documents in this case. I really appreciate your time and willingness to help.

Sincerely,

Kelly Murawski

Thank you, Ms. Acierto. On the docket sheet, it looks like the defendant filed a motion for default judgement in this case last week - would you be able to send us that as well?

We are hoping to obtain copies of all documents filed subsequent to the complaint. We haven't received any of these documents from Plaintiff's counsel. Thanks again for your assistance.

Hi Ms. Acierto:

You sent me a copy of the complaint in case no. 20CV200826 last week (thank you again for doing so!). I'm hoping you might be able to help me to obtain copies of the other documents filed in this case? Please feel free to forward my email if there is someone else at your office that handles these requests. Our office filed on Friday a notice of removal of this case to the Northern District of Ohio on behalf of the Defendant (I just received a FedEx confirmation that a copy has been delivered to the Lorain County Court of Common Pleas within the past hour). We requested a copy of all documents filed in this case from Plaintiff's counsel, but so far, they have been non-responsive to our request and we want to make sure we don't miss anything. Thanks again for your assistance!

Sincerely,

Kelly Murawski
